

University of Missouri-Columbia Additional Authorized Access:

If you forgot your password:

Enter your email address and click “Forgot Your Password?”:

Additional Authorized Access

E-Mail Address:

Password:

[Login](#) [Forgot Your Password?](#)

You are taken to a screen that has your email address.

Enter your email address again in the “Confirm E-Mail” field and click “Continue with Password Reset”:

Authorized Access Password Reset

Information on how to reset your password will be sent to the email address of your Authorized Access account.

E-Mail Address:

Confirm E-Mail:

[Continue With Password Reset](#)

[Return to Login](#)

Then you get a screen telling you an email has been sent with instructions for resetting your password:

Authorized Access Password Reset

If the e-mail address you entered, brooksk@missouri.edu, is associated with a member account in our records, you will receive an e-mail from us with instructions for resetting your password.

E-Mail Address:

Confirm E-Mail:

[Return to Login](#)

You get an email (possibly in your junk mail folder):

Subject: myZou Authorized Access Account Setup

We received a request to reset the password associated with this e-mail address. If you made this request, please follow the instructions below.

Click the link below to reset your password using our secure server:

https://myzou.missouri.edu/esp/esp.asp?EMPLOYEE/URMC/UM_CAMPUS_COMMUNITY/UM_AUTH_ACCESS_GATEWAY/UR_CODE_381/esp_3116211

If you did not request to have your password reset, you can safely ignore this email. Rest assured your account is safe.

If clicking the link doesn't seem to work, you can copy and paste the link into your browser's address window, or retype it there. Once you have returned to myZou, we will give instructions for resetting your password.

Please note: For security purposes this link will expire if not used within 24 hours. If the link is expired, please repeat this request to regenerate a new link.

Click the link in the email (blacked out in the picture above) and you are taken to this screen where you enter your password twice and then click "Save Your Password":

Authorized Access Password Setup

In order to complete the account setup, please create a password for your account. In order to maximize the security of your password, Mizzou and UM-System request that you create a password that meets the following criteria:

Passwords Cannot:

- contain spaces
- be based on a word in the dictionary, or any other UM/campus related term
- be based on your e-mail address
- contain any part of your student's name or userid
- contain any symbols other than those listed below

Passwords Must:

- be 8 - 26 characters long.
- contain characters from 3 of the 4 following character sets:
 - Uppercase letters: (**A - Z**)
 - Lowercase letters: (**a - z**)
 - Numbers: (**0 - 9**)
 - Symbols: (**? . , _ - ~ + = \$!**)

Be creative! Create a password or phrase that is meaningful to you, but no one would be able to guess. Use simple symbol/numeric substitutions for letters: ""\$"" for "S", "3" for "e" or "E", etc.

Password:

Confirm Password:

[Save Your Password](#)

Then you get this screen:

Authorized Access Password Setup

Your Authorized Access password has been saved.

[Continue](#)

Click "Continue" and you are back to:
