STEP 1: LOG IN

• Log into myZou.
STEP 2: GET STARTED

- Under the Main Menu, select Self Service, then Campus Finances, then Make a Payment.
- Select the 'Continue' button to be transferred to the MyZou Payment Center.
STEP 3: SELECT FLYWIRE AS PAYMENT METHOD

- Select ‘Make a Payment’ from the left column.
- Select the Flywire payment method from the drop-down menu.
STEP 4: ENTER YOUR COUNTRY & SELECT PAYMENT TYPE

• You are now in Flywire’s payment portal. Enter the country you are paying from and the amount you need to pay.

• Based on your country selection Flywire will automatically display your local currency rate with the appropriate payment options, such as traditional bank transfer or debit/credit card payment.

  • Traditional bank transfer (also known as a wire) is the most cost effective method. Please note that to complete the payment you will need to make arrangements with your bank (in-person, online, or over the phone) and send your funds to Flywire in your chosen currency.

  • Online Options - Based on your country, you may have online payment options available which will allow you to make an online payment in your home currency. Flywire handles the foreign exchange so you will know the exact amount that will be deducted from your account before making your payment.

• Flywire will then convert your currency and pay your institution.

• If you have an account in a different currency that you would prefer to use, select that country in the “what country are you paying from” field instead.

• If you select your home country, but you don’t see your home currency, not to worry — you can always pay in the currency of your institution or select a different currency. The process and benefits will remain the same, however, your bank will handle the foreign exchange before sending the funds to Flywire.
