How to Make a Payment

Step-By-Step Guide
1. Log into your myZou Student Center and Select “Financial Account”
2. Select “Log into TouchNet” and then click “Proceed to TouchNet”
3. Click on “Make Payment” at the top of the page
4. Select your Payment Option and click the green “Add” button to add the amount you intend to pay. You can type in an amount if you do not want the defaulted amount.

Note: You cannot pay more than the balance that is owed on the account.
5. Select your Payment Method of choice and click “Continue”
6. Enter your bank account information below and choose to save the method if you intend to use it repeatedly.

Note: If you pay with a credit/debit card, it will direct you to the PayPath software to enter the card information.
